Report of Principal and School Improvement Council

The administrators, teachers, and staff of Darlington Middle School want to thank you for an outstanding school year! We also want to thank our parents and community for your continued encouragement.

Our goal, for this school year and the coming year is "To nurture and motivate students by creating real-world and hands-on experiences that enhance and expand their lives." We want our students to excel above and beyond what is expected. We ask for continued support to join us as we work with your child so that he/she can "make the connection" between the importance of education and success. Each child must see the real need to work hard in and out of class, while preparing for their career interests.

Middle School is the period when your child develops life-long habits. We need continued assistance in working with us as we prepare your child to compete in this ever-changing world. We want our community to be proud of the children who attend Darlington Middle School. We also want to share that pride with you. Together, we will make a difference in the lives of our young people.

Many accomplishments were made this year that we are extremely proud of. They are as follows: the single-gender initiative; High School Course Offerings; LEGO League, who were regional winners and competed in the state competition; nine state recognized Junior Scholars; 18 Duke Tip Qualifiers; the District Winner for the State Superintendent's Writing Award; our continuously growing band and art programs; the team concept that has been developed throughout the building; raising over \$4,800 for Relay for Life; raising over \$2,000 for hospital patients visited during the Christmas Holidays; 91% passing rate on the English End-of-Course Exam; 92% passing rate on the Algebra I End-of-Course Exam; and 93% passing rate on the Physical Science End-of-Course Exam.

Increased parent support is always welcomed at Darlington Middle School. With this in mind, we have established a parenting center with a coordinator. We extend a personal invitation to all parents, businesses, and community partners to join us in the continued and endless efforts to improve the overall performance and to properly prepare our youth for the future through the educational process.
